Date

Approved NRD Representative

Upper Big Blue Natural Resources District

Summary of Ground Water Transfers Requirements (Rule 5 Chapter 11)

- 01 A person who intends to transfer groundwater from an overlying tract, shall apply for a transfer authorization on forms provided by the District –
 - 01.01 A non-refundable application fee of fifty (50) dollars payable to the District shall accompany all requests for a ground water transfer to cover costs associated with its review.
- 02 The District will consider a request for a new groundwater transfer by an agricultural user, as defined in Chapter 4 ¶ 17.01, when the following criteria are met:
 - 02.01 The destination tract is directly adjacent or diagonal to the source tract, and
 - 02.02 At its closest point, the destination tract is not more than three thousand (3,000) feet from the source well, and
 - 02.03 The source well is at least one thousand (1,000) feet from all other water wells under separate ownership,
 - 02.04 The ground water use acres in the destination tract is limited to an amount less than or equal to the total number of
 - 02.05 The maximum transfer to a destination tract shall not exceed one-hundred and sixty (160) acres.
- 03 A municipal user or other user, as defined in Chapter 4 ¶ 17.02 and ¶ 17.03, shall only be allowed to initiate new ground water transfers to a government survey section that is directly adjacent or diagonal to the source tract.
- 04 Transfers proposing to withdraw more than two-hundred and fifty (250) acre feet annually shall conduct a hydrologic evaluation as provided in Chapter. 5, ¶ 05.
- 05 Transfers exempt from Chapter 11 –
 - 05.01 The following types of transfers are exempt from Chapter 11:
 - 05.01a Ground water transfers authorized by the Municipal Rural Domestic Ground Water Transfers Permit Act.
 - 05.01b Transfers of ground water that were started prior to August 1, 2007.
 - 05.01c The physical transfer of ground water within the same government survey section.
 - 05.01d Ground water transfers within the corporate limits of a municipality.
