Project GROW Compost Bin Reimbursement Application

Homeowner Name _____

Homeowner Address _____

Homeowner Phone _____ Email _____

The Nebraska Department of Environmental Quality has awarded the City of York with a Source Water Protection Grant to expand educational programs in the City of York Wellhead Protection Area in partnership with the Upper Big Blue NRD. One of the programs offered to homeowners in the Wellhead Protection Area is a Compost Bin Reimbursement. Compost Bins allow homeowners to recycle kitchen food waste and plant material turning it into valuable compost for later use in their landscape/garden. This decreases landfill use and increases soil fertility.

- Homeowners are eligible for one reimbursement for the life of the program.
- Homeowners are eligible for reimbursement of the actual cost up to \$50.00 for the purchase of a Compost Bin for use in their landscape.
- Purchases made before application approval are not eligible for reimbursement.
- Homeowners must complete this application and be approved for reimbursement before purchasing a Compost Bin.
- Once purchased, an itemized receipt must be turned into the Upper Big Blue NRD Office at the address above for reimbursement approval.

I have read the Project GROW Compost Bin Reimbursement Rules and understand that failure to meet the guidelines will result in loss of reimbursement.
